

ICS 2026 Accepted Papers: Schedule at a Glance

Session titles only

Day	Time	Room A	Room B	Room C
Tuesday	09:20 AM	Best Paper Candidates		
Tuesday	10:50 AM	Compiler, Code Generation and Autotuning	Runtime Scheduling and Adaptive Execution	Energy & Sustainability
Tuesday	01:40 PM		Performance Modeling & Insight	I/O & Storage
Wednesday	10:50 AM	Graph Search & Paths	AI Training Systems	Communication & Collectives
Wednesday	01:40 PM	Graph Analytics	LLM Serving	Near-Memory Architectures
Wednesday	03:30 PM	Graph Traversal & Connectivity	Data Analytics & Compression	CXL & Memory Systems
Thursday	09:20 AM	Cross-Layer Performance Optimization		
Thursday	10:50 AM	GPU-Accelerated Query and Geometry	AI Inference	Resilience and Error Detection
Thursday	01:40 PM	Sparse & Tensor Kernels	AI Kernels & Parallelism	Energy-Aware Systems
Thursday	03:30 PM	Numerical & Scientific Kernels	Efficient Privacy Computing	Quantum Computing
